COMPANY OVERVIEW

PRIME ONE SUPPLY LLC is a Florida-based merchant wholesaler established in 2026, specializing in comprehensive supply chain solutions for government and institutional clients. We provide office supplies, medical equipment, PPE, maintenance materials, furniture, and eco-friendly products through a single-source procurement model that streamlines acquisition and reduces administrative burden.

CORE COMPETENCIES

- Multi-category wholesale distribution and fulfillment
- Medical and PPE equipment procurement
- Institutional furniture and office supply solutions
- MRO and facility maintenance materials
- Green and sustainable product sourcing
- Integrated supply chain management services

DIFFERENTIATORS

- **Single-source vendor model** eliminates multiple procurement actions, reducing administrative costs and simplifying contract management for busy procurement offices.
- **Broad product** portfolio spanning seven PSC categories enables consolidated ordering across departments, streamlining requisitions and improving budget visibility.
- **Florida-based operations** with responsive logistics support ensure rapid fulfillment and direct accountability throughout contract performance.
- **Dedicated focus** on government operational needs with structured quality assurance protocols and documented performance tracking from order to delivery.

QUALITY COMMITMENT

Every order undergoes verification protocols to ensure specification compliance, proper documentation, and timely delivery. We maintain detailed records of all transactions and implement corrective action processes to address any discrepancies immediately.

PAST PERFORMANCE

As a new entrant to the government marketplace, PRIME ONE SUPPLY brings proven wholesaler capabilities and a commitment to performance excellence. Our operational infrastructure is designed to meet the accountability standards required in public sector contracting, with commercial references available demonstrating our reliability in fulfilling complex, multi-product orders.
